Faulkner described the title "A Rose For Emily" as an allegorical title: this woman had undergone a great tragedy, and for this Faulkner pitied her. As a salute, he handed her a rose. The word "rose" in the title has multiple meanings to it. The rose may be seen as Homer, when interpreting the rose as a dried rose.

In "A Rose For Emily," William Faulkner imitates associative Southern storytelling style as an unnamed first-person narrator speaks for the entire town of Jefferson, relating what all the townspeople know or believe. Unlike typical Faulkner stories that employ multiple individual narrators, "A Rose for Emily" achieves the effect of multiple narrators by combining them into a single narrative voice, an unnamed (and not

Here is a classic collection from one of America's greatest authors. Though these short stories have universal appeal, they are intensely local in setting. With the exception of "Turn About," which derives from the time of the First World War, all these tales unfold in a small town in Mississippi, William Faulkner's birthplace and lifelong home. Some stories—such as "A Rose for Emily," "The Hound," and "That Evening Sun"—are famous, displaying an uncanny blend of the homely and the horrifying. But others, though less well known, are equally colorful and characteristic. The gently nostalgic "Delta Autumn" provides a striking contrast to "Dry September" and "Barn Burning," which are intensely dramatic. As the editor, Saxe Commins, states in his illuminating Foreword: "These eight stories reflect the deep love and loathing, the tenderness and contempt, the identification and repudiation William Faulkner has felt for the traditions and the way of life of his own portion of the world."

This book is divided into four chapters in addition to a conclusion: chapter one is an introduction to focuses on the two winters' contribution, reputation and influence. Chapter two is devoted to a critical appreciation of William Faulkner's A Rose for Emily. Chapter Three is devoted to a critical appreciation of Franz Kafka's The Metamorphosis. Chapter four gives a brief study of comparison and contrast of the two writers stories, A Rose for Emily and The Metamorphosis. Finally, the book ends with the conclusion that there are strong resemblances in the characters of "A Rose for Emily and The Metamorphosis. Miss Emily and Samsa, both, they were affected by the same kind of isolation. Both were deeply affected by the injustices of the society and family.

Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1,0, University of Hamburg (Fachbereich Sprach-, Literatur- und Medienwissenschaft - Institut für Anglistik und Amerikanistik), course: Seminar II: Ethnicity in the Short Stories of William Faulkner, 10 entries in the bibliography, language: English, abstract: "The fact that I have moved my characters around in time successfully, at least in my own estimation, proves to me my theory that time is a fluid condition which has no ecistance except in the momentary avatars of individual people." William Faulkner. William Faulkner's "A Rose for Emily" is a very complex and coherent short story. The story is set after Civil War in the southern town Jefferson, a town clinging to the Old South's values but adapting the eventual changes that the Reconstruction Era brings with it. The heroine Miss Emily Grierson is the last member of the old aristocratic Grierson family. When searching for "the" theme of the story, one is confronted with many possible solutions: the conflict between North and South, the conflict between the individual and the community, between men and women. No matter though, what the results are, one aspect cannot be ignored: it is the aspect of time, the conflict between the past and the present. There are many possibilities to approach this aspect. The tragedy that Faulkner describes involves the key issue of the passing of time and the related changes. I will show how the author makes it visible by exploring the significance of decay as a sign for passing time. Time itself suggests the presence of a past and a present. On this issue Faulkner presents two conflicting views within the story, which I will examine with a special interest on the view that Miss Emily inherits. In this paper I will also try to clarify the importance of the difference of the story line of events and the actual chronological order of the scenes of Miss Emily's life. Before examining the story, I will give an overview of the life and work of William Faulkner, followed by a note on influences on his fiction and the significance of his short stories.

Grundlagenseminar Amerikanische Literatur, 8 entries in the bibliography, language: English, abstract: "At the heart of the modernist aesthetic lay the conviction that the previously sustaining structures of human life, whether social, political, religious, or artistic, had been either destroyed or shown up as falsehoods or fantasies" (Norton 1814). Thus literary features such as sequence or unity turned out to be only "expressions of a desire for coherence". This "false order" had to be renovated to express the new interpretation of the world as a broken image. As a consequence, modernist literature abandons former traditional ideals. Instead of the tyranny of chronology, it is the construction out of fragments that now becomes a key formal characteristic. Without showing any linear sequence of events, Faulkner's narrative technique in "A Rose for Emily" mirrors exactly this modernistic ideal. By avoiding the chronological order of events, Faulkner gives the reader a puzzle consisting of fragments. Nevertheless, he gives hints that make it possible to put these fragments together and thus reconstruct the chronology of the life of Miss Emily Grierson. In order to find out "what dates are carved on [her] tombstone" (Moore 196) the reader has to become active which is a common attribute in modernist texts. "A chronology of 'A Rose for Emily'", as stated by McGlynn, "is useful for at least two reasons: it makes the plot more easily comprehensible, and it helps clarify the function of time in the story".

From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner—also available are Snopes, *As I Lay Dying*, *The Sound and the Fury*, *Light in August*, and *Absalom, Absalom!* William Faulkner was a master of the short story. Most of the pieces in this collection are drawn from the greatest period in his writing life, the fifteen or so years beginning in 1929, when he published *The Sound and the Fury*. They explore many of the themes found in the novels and feature characters of small-town Mississippi life that are uniquely Faulkner's. In "A Rose for Emily," the first of his stories to appear in a national magazine, a straightforward, neighborly narrator relates a tale of love, betrayal, and murder. The vicious family of the Snopes trilogy turns up in "Barn Burning," about a son's response to the activities of his arsonist father. And Jason and Caddy Compson, two other inhabitants of Faulkner's mythical Yoknapatawpha County, are witnesses to the terrorizing of a pregnant black laundress in "That Evening Sun." These and the other stories gathered here attest to the fact that Faulkner is, as Ralph Ellison so aptly noted, "the greatest artist the South has produced." Including these stories: "Barn Burning" "Two Soldiers" "A Rose for Emily" "Dry September" "That Evening Sun" "Red Leaves" "Lo!" "Turnabout" "Honor" "There Was a Queen" "Mountain Victory" "Beyond" "Race at Morning"

Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 1,3, language: English, abstract: William Faulkner's short story *A Rose for Emily* is often regarded as a "story of horror," with gothic elements due to its creepy and shocking final scene. Moreover, different themes such as the loss of beloved ones, isolation and the refusal to accept change are covered in this story. There is also a variety of popular readings of *A Rose for Emily* emphasizing "the conflict between the North and the South" or "the conflict between individual and the community, between the past and the present, between men and women." The question is of how the author depicts such complexity of character, emotion and setting? Faulkner himself said that "in a short story [...] almost every word has got to be almost exactly right" (Petry 54). As a result almost every word in a short story has a greater meaning, which is achieved using imagery and symbolism. Imagery is the representation of experiences of the senses, which uses descriptive, but also figurative language, whereas symbolism is used by "writers to invest objects, actions or ideas with a symbolic meaning." The symbols convey special meanings to the reader, standing for one single idea or many. This paper will analyze the function and use of imagery and symbolism in *A Rose for Emily*

focusing on the functions of the house, how the picture of Emily is drawn, the function of the town, the characterization of the men in the protagonist's life, then the aspect of time and finally the attempt to analyze the symbol of the rose in the title trying to reveal a much imagery and symbolic meaning as possible. It will be shown, that a Rose for Emily is complex and rich in imagery, symbolism and ambiguity used by Faulkner to characterize people, describe relations and atmosphere."
