The challenge: sort the good guys from the bad before the lights go out. Poems by Pamela Johnson Parker; winner of the 2009 qarrtsiluni chapbook contest.

After college, Vincent Yanez with his friend Chris decide to meander across Europe in search of the meaning of life, the perfect gelato and a nice place to lay their heads. During their adventures, the lads find themselves locked in a Scottish dungeon, being serenaded by Placido Domingo and have their passports taken by the Czech authorities as they are caught in an attempt to sneak into Prague. They discover that Vincent Van Gogh is not only alive, but managing a small hotel in Holland, accidentally wander into the middle of a Nazi-rally, and little by little discover that remarkable things await around every corner, down every avenue. They learn that when you are open to the possibility of adventure]it doesn't matter which road you take.
