Back To The Bedroom is a pre-Plum novel by popular American author, Janet Evanovich. It is the first book in the Elsie Hawkins series, on whom, Evanovich says, Grandma Mazur was modelled. Dave Dodd has been watching his busy, energetic neighbour come and go for a while: always in a hurry, keeping erratic hours, wearing a long black coat and lugging a large, oddly shaped metal case on wheels.

For those who may not know, before the "Plum" days Janet Evanovich wrote a few romance stories. (Yes, friends, there was life before Stephanie Plum and the zany folk in her retinue). "Back to The Bedroom" is one such story - a little light, a bit funny, and another side to the prolific Evanovich.

Back to the Bedroom book by Janet Evanovich

Back to the Bedroom is the story of a young woman with the soul of a birthday cake living in a bran muffin house -- and a nice-looking guy with the substance of a bran muffin living in a birthday cake. They share some misadventures, some romantic moments, some misunderstandings, and ultimately they turn into wedding cake.

Editions of Back to the Bedroom by Janet Evanovich

Elsie the geriatric tenant of Kate's third floor is the saving grace of this story. She is such a hoot and she definitely is early shades of Stephanie Plum's Grandma Mazur. One gripe I have is this is practically a love at first sight book.

Back to the Bedroom by Janet Evanovich | LibraryThing

You fall in love with Dave and Kate the two main characters, and the little old pistol toting Elsie who rents a room from Kate. She adds spice and sassiness. This story makes you smile and laugh all the way to the end.

Elsie's Main Bedroom Tour. Bedroom, Before/After, Home Decor, Home Tour: Elsie, Room Tour, Sponsored. By Elsie Larson. ... but ended up returning them and going back to my tried and true. Let's talk about the wallpaper! It's from Hygge & West, one of our favorite wallpaper spots.

Dear Reader: In a previous life, before the time of Plum, I wrote twelve short romance novels. Red-hot screwball comedies, each and every one of them. Nine of these stories were originally published by the Loveswept line between the years 1988 and 1992. All immediately went out of print and could be found only at used bookstores and yard sales. I'm excited to tell you that those nine stories are now being re-released by HarperCollins. Back to the Bedroom is presented here in almost original form. I've done only minor editing to correct some embarrassing bloopers missed the first time around. I lived in northern Virginia when I wrote Back to the Bedroom. My children were young, and we spent a lot of time visiting the Washington, D.C. museums and wandering through the historic neighborhoods. One day while strolling Capitol Hill I came upon two townhouses that captured my imagination. The houses were totally different -- a birthday cake of a house and a bran muffin of a house, and yet they shared a common wall. I wondered about the people who lived inside the houses. And eventually the houses inspired Back to the Bedroom. Back to the Bedroom is the story of a young woman with the soul of a birthday cake living in a bran muffin house -- and a nice-looking guy with the substance of a bran muffin living in a birthday cake. They share some misadventures, some romantic moments, some misunderstandings, and ultimately they turn into wedding cake. And for Plum fans, you'll be interested to find that this was the first of the four romances to feature Elsie Hawkins, the prototype for Grandma Mazur. Janet Evanovich

Single mom Lizbeth Kane isn't exactly carpenter material -- she's never picked up a hammer in her life. But she desperately needs the construction job that builder Matt Hallahan is offering. And even though he knows trouble is ahead, Matt can't refuse Lizbeth's irresistible smile. Matt Hallahan isn't exactly relationship material -- he has always been too busy working on other people's houses to make a home of his own. And even though she knows better, Lizbeth can't stop thinking about the rugged carpenter. Is the relationship Matt and Lizbeth are building solid -- or more like a house of cards?

Hank Mallone knows he's in trouble when Maggie Toone agrees to pretend to be his wife in order to improve his rogue's reputation. Will his harebrained scheme to get a bank loan for his business backfire once Maggie arrives in his small Vermont town and lets the gossips take a look? Maggie never expected her employer to be drop-dead handsome, but she's

too intrigued by his offer to say no . . . and too eager to escape a life that made her feel trapped. The deal is strictly business, both agree, until Hank turns out to be every fantasy she ever had.

"[Evanovich] is funny and ceaselessly inventive." —Los Angeles Times Book Review "Do yourself a favor and read this one." —Washington Post The author of so many spectacularly successful mystery novels featuring the inimitable Stephanie Plum, #1 New York Times bestselling author Janet Evanovich displays a more playfully romantic side with *The Rocky Road to Romance*. Evanovich delights with a classic, pre-Plum contemporary romance novel that's sure to please—a lighthearted tale of three-way love affair involving a radio "dog lady"-turned-traffic reporter, her handsome program director, and a huge couch potato canine named Bob.

David Dodd sets his sights on his lovely next-door neighbor, Katherine Finn, a captivating cellist with the city symphony

"Give your home a "happiness makeover" with the more than 90 DIY projects, decorating tips, and inspiring ideas in this first-ever home decor book from the creators of the mega-popular style blog *A Beautiful Mess*"--

Follows Elsie Sherman as she finally acts on the crush she's had on her brother's best friend since she was a little girl.

Amid crashing thunder, roaring winds, pounding rain, and the creaking of the steamer as it struggled forward in the rolling sea, the passengers could hear the occasional shouted order from the officers. The steamer was tossed from side to side. 'Are we in danger of striking the rocks, Papa?' Elsie asked her father. 'I think not, ' he replied. At that instant, a terrible cracking sound assaulted their ears. The whole boat shuddered, and a man's panicked voice rose high above the screams and cries---'We've struck ground! We'll all be drowned!' As the storms of life continue to break around Elsie Dinsmore Travilla and her family, there are terrible tragedies to endure and times of joy as well. The Travilla children are growing up and facing life-altering decisions. Others in the Dinsmore family must confront dramatic upheavals in their lives. As the United States approaches the celebration of its first century as a nation, will Elsie and her family have their own causes to celebrate? How will adversity affect Elsie's world and the hopes of those she loves so dearly? Elsie's Great Hope again takes readers into the exciting story of a family grounded in Christian love and faith. Adapted from the influential nineteenth century novels by Miss Martha Finley, this eighth book in the series offers modern readers a wealth of hope and wisdom that is as meaningful today as it was over a hundred years ago. Elsie's Great Hope is packed with new adventures and fascinating characters that promise to intrigue and inspire readers of every age.

The creators of the hugely popular blog *A Beautiful Mess*, sharing their love of photo-taking, show readers how to document their real lives with beautiful images by providing a wealth of inspiration and tips on finding great light, capturing emotion, recreating old photos and more. Original.

NEW YORK TIMES BESTSELLER • Janet Evanovich, bestselling author of the Stephanie Plum series, teams up with Emmy-winning writer Phoebe Sutton for a brand-new series of mysteries featuring Emerson Knight and Riley Moon, a dynamic duo with instant and undeniable chemistry. Emerson Knight is introverted, eccentric, and has little to no sense of social etiquette. Good thing he's also brilliant, rich, and (some people might say) handsome, or he'd probably be homeless. Riley Moon has just graduated from Harvard Business and Harvard Law. Her aggressive Texas spitfire attitude has helped her land her dream job as a junior analyst with mega-bank Blane-Grunwald. At least Riley Moon thought it was her dream job, until she is given her first assignment: babysitting Emerson Knight. What starts off as an inquiry about missing bank funds in the Knight account leads to inquiries about a missing man, missing gold, and a life-and-death race across the country. Through the streets of Washington, D.C., and down into the underground vault of the Federal Reserve in New York City, an evil plan is exposed. A plan so sinister that only a megalomaniac could think it up, and only the unlikely duo of the irrepressibly charming Emerson Knight and the tenacious Riley Moon can stop it. Praise for *Curious Minds* "The one-liners fly at a ferocious pace. . . . Evanovich fans will find this closer in style to the Stephanie Plum novels."—Booklist "Evanovich's comedic timing and pacing are evident on every page."—Daily Republic
