Kaylee looked at her hands. No, not hands. Claws. She had claws. "What am I?" "You're a freak. An abomination. You never should have existed." For Kaylee Richards, starting freshman year of high school is hard enough. Growing dragon scales and blasting her date with lightning just makes it that much harder. But when the creep pulls a sword on her, what's a girl to do? Turns out Kaylee is a dragon-kin, a half dragon/half human with the rare power to summon storms. The problem? She's attracted the wrong kind of attention: Slayers, an ancient order dedicated to eradicating all dragon-kin. They're planning something big. Something deadly. And they need Kaylee to do it. But Kaylee isn't alone. She has her martial arts-wielding best friend, a bumbling wizard, and his hot, air-headed Protector by her side. Together they'll try to stop the Slayers before their plans are complete. Or they'll die trying. But hopefully not.

In the caverns beneath New York City, an ancient evil is about to rise... The Herald has returned, and with him the Slayers are one step closer to summoning the Hunt and destroying Kaylee and the rest of the dragon-kin. Worse, Kaylee is attacked by a dragon. An actual dragon. The kind that definitely shouldn't exist. It seems something is forcing innocent dragon-kins to permanently shift against their will. With the arrival of a powerful creep interested in romancing her, and Jade's Tamer test taking place in the caverns of New York City, a mystery is one more thing Kaylee doesn't need to deal with right now. But when Jade's test goes disturbingly wrong, Kaylee enters the underground, determined to find her. What she discovers instead is a Slayers' plot more dangerous than she could have imagined. One that promises to end her and her friends for good. Some secrets, it seems, are better left forgotten. But now they're coming back to life. Dragon's Bane is the third book in the fast-paced young adult urban fantasy Heir of Dragons series, complete with an awesome heroine, magic, wizards, and dragon shifters! Perfect for fans of Michelle Madow's Elementals series, Harry Potter, and Leia Stone's Dragons and Druids series! "Kaylee, Jade, Edwin and Maddox just got under my skin and made me laugh and want to fight with them against the slayers and the evil. I can't believe they just get better and better." -Amazon Reviewer

The dragons are gathering, which can only mean one thing. Death. Minx, a royal Fae has been tasked with saving her people. Problem is, the only way to do that is by slaying a dragon and bringing their hide back to Paddling Grounds. The magic that resides inside dragons is strong and without it her people will die. Except Minx has never slayed a dragon, she hasn't even ever seen one, but she knows where to find them. With help from her Faelyr, half fae and half tiger companion, Minx sets out to Talon Range. Kaleb, the dragon heir to the Pyra clan isn't looking for war. But then again no one has ever asked him what he wants. He has a duty and he will do whatever is needed to keep his people safe. Even if that means taking on the darkness himself. When Kaleb and Minx come face to face, a battle erupts. Neither are giving up, neither will fail. Until they realize they share a common enemy and only together can they defeat them. With a pull between them that is strictly forbidden, Minx and Kaleb find they are on their own and time is running out. A fae, a dragon and a war neither are prepared for. The end of both species is near and only they can save each other. How to Kill a Dragon is the first book in the Heir of Dragons trilogy by USA Today Bestselling Author J.A. Culican. Full of dark magic, dragon shifters and forbidden romance. Fans of Jennifer L. Armetrout and Sarah J. Maas will love this new epic fantasy romance with a dose of dragon riding and magic bonding.

In a world beyond time, the Palindrake family rules the rocky kingdom of Caradore, their right ordained by their allegiance to the power of the sea. But war came to them, and defeat at the hands of the king of Fire. For generations the Palindrake Lords served the god of Fire. But now, five lifetimes later, the Palindrake heir, Vlraven V, has a twin sister, a woman who embodies their inheritance of power in a way that no wife ever could. The tidal power in their blood draws them to each other, into a forbidden passion that could sweep away the bonds of fire placed upon the oceanic magic of the sea, and free Caradore from its long imprisonment. The covenant that was meant to keep the wizard wars at bay has been stolen, and Trinity must prepare for attack. Everyone is doing their part -- Seph is monitoring the Weirwalls; Jack and Ellen are training their ghostly army; even Anaweir Will and Fitch are setting booby traps around the town's perimeter. But to Jason Haley, it seems like everyone wants to keep him out of the action. He may not be the most powerful wizard in Trinity, but he's prepared to fight for his friends.

Would you save the people accusing you of being a monster? I'm Kailée Wynrée, a half-elven bounty hunter, and I track down rogue supernatural beasts for a living. When a family emergency forces me to return to the town I left years ago, I must face those who suspect me of being a monster. Aided by my not-ex-husband (don't ask), my compassion for those who see me as less is put to the test when an elven threat descends upon the town. Save my mother's newborn child? Of course. Save the child and all the people that made my life a living hell? Doing the right thing should be easy... But what if they were right about me all along? Dragon fire burns deep... Hidden Fire is an urban fantasy novelette of 13K+ words. Created specifically for entertainment and to think of something else for a little while.

From the national bestselling and award-winning author of the Vampire Earth saga comes the first in a fantastic new series.

After her Celtic kin proved too big a bunch of bastards to bother with, Rowan sought solace among witches. The first book in a magic-laced, fast-paced fantasy trilogy. With dragons. After the Breaking, not much was left. I assumed it was a case of magic gone bad--until I discovered my goddess mother had broken the world. She didn't like it that I'd turned my back on the pantheon. My long tenure among witches rubbed salt into the wound. After a confrontation where Mommy Dearest fessed up--and lacked the decency to bat an eyelash about the widespread destruction she'd caused--I was digesting what to do next when a dragon showed up. Yes. A dragon. The beast didn't talk with me or anything, but it flew overhead wreaking havoc on a goblin horde. Witches are old souls with kind hearts, but they're not particularly strong magically, so I was grateful for the help. And suspicious as hell. Why a dragon? Why here and why now? More importantly, why was he--she?--helping me? Part of me didn't want to know, and another part was certain I'd find out anyway.
