The Phantom of the Opera is a novel by French writer Gaston Leroux. Christine Daaé travels with her father, a famous fiddler, throughout Europe, and plays folk and religious music. When Christine was six years old, her mother died and her father was taken to rural France by a patron, Professor Valerius. While Christine was a child, her father told her many stories about the "Angel of Music", who is the personification of musical inspiration. Christine meets and befriends the young Raoul, Viscount of Chagny. One of Christine and Raoul's favourite stories is one of Little Lotte, a girl who is visited by the Angel of Music and possesses a heavenly voice. Christine now lives with "Mamma" Valerius, the elderly widow of her father's

benefactor. She eventually is given a position in the chorus at the Paris Opera House (Palais Garnier). She begins hearing a beautiful, unearthly voice which sings to her and speaks to her. She believes this must be the Angel of Music and asks him if he is. The Voice agrees and offers to teach her "a little bit of heaven's music". The Voice, however, belongs to Erik, a physically deformed and mentally disturbed musical genius who was one of the architects who took part in the construction of the opera house. He is in love with Christine.

A disfigured musical genius who lives beneath the Paris Opera House falls in love with a beautiful soprano and, in his desperation to have his love returned, embarks on some terrifying means towards that end.

Ermolai bowed and returned to the garden. The "barinia" left the veranda, where she had come for this conversation with the old servant of General Trebassof, her husband, and returned to the dining-room in the datcha des Iles, where the gay Councilor Ivan Petrovitch was regaling his amused associates with his latest exploit at Cubat's resort. They were a noisy company, and certainly the quietest among them was not the general, who nursed on a sofa the leg which still held him captive after the recent attack, that to his old coachman and his two piebald horses had proved fatal. The story of the always-amiable Ivan Petrovitch (a lively, little, elderly man with his head bald as an egg) was about the evening before. After having, as he said, "recure la bouche" for these gentlemen spoke French like their own language and used it among themselves to keep their servants from understanding—after having wet his whistle with a large glass of sparkling rosy French wine, he cried: "You would have laughed, Feodor Feodorovitch. We had sung songs on the Barque* and then the Bohemians left with their music and we went out onto the river-bank to stretch our legs and cool our faces in the freshness of the dawn, when a company of Cossacks of the Guard came along. I knew the officer in command and invited him to come along with us and drink the Emperor's health at Cubat's place. That officer, Feodor Feodorovitch, is a man who knows vintages and boasts that he has never swallowed a glass of anything so common as Crimean wine. When I named champagne he cried, 'Vive l'Empereur!' A true patriot. So we started, merry as school-children. The entire company followed, then all the diners playing little whistles, and all the servants besides, single file. At Cubat's I hated to leave the companion-officers of my friend at the door, so I invited them in, too. They accepted, naturally. But the subalterns were thirsty as well. I understand discipline. You know, Feodor Feodorovitch, that I am a stickler for discipline. Just because one is gay of a spring morning, discipline should not be forgotten. I invited the officers to drink in a private room, and sent the subalterns into the main hall of the restaurant. Then the soldiers were thirsty, too, and I had drinks served to them out in the courtyard. Then, my word, there was a perplexing business, for now the horses whinnied. The brave horses, Feodor Feodorovitch, who also wished to drink the health of the Emperor. I was bothered about the discipline. Hall, court, all were full. And I could not put the horses in private rooms. Well, I made them carry out champagne in pails and then came the perplexing business I had tried so hard to avoid, a grand mixture of boots and horse-shoes that was certainly the liveliest thing I have ever seen in my life. But the horses were the most joyous, and danced as if a torch was held under their nostrils, and all of them, my word! were ready to throw their riders because the men were not of the same mind with them as to the route to follow! From our window we laughed fit to kill at such a mixture of sprawling boots and dancing hoofs. But the troopers finally got all their horses to barracks, with patience, for the Emperor's cavalry are the best riders in the world, Feodor Feodorovitch. And we certainly had a great laugh!—Your health, Matrena Petrovna."

The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, *The Phantom of the Opera* has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1986 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences.

Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.
