"Flowers From The Storm" is a captivating romance with heart. The characters seem so real & true to life and main characters of Christian and Maddy are written with integrity and dimension. The story weaves a tale of "in sickness and in health" as it shows how romantic opposites in many aspects of life can triumph through adversity.

Flowers from the Storm – HarperCollins

Flowers in the Storm was the first book by you that I read. As Patricia stated on 1/10/10, I was able to feel what Christian felt. This made rading the book difficult because it was emotionally exhausting. However, it is one of my very all time favorite books.

The Duke of Jervaulx was brilliant and dangerous. Considered dissolute, reckless, and extravagant, he was transparently referred to as the D of J in scandal sheets, where he and his various exploits featured with frequency. But sometimes the most womanising rake can be irresistible, and even his most casual attentions fascinated the sheltered Maddy Timms, quiet daughter of a simple mathematician.

Laura Kinsale's unique and powerfully written love stories transcend the romance genre. In this, her first new book in five years, she delivers a poignant, funny, sexy, Regency romance sure to delight her many fans and attract a whole new readership. Trevelyan and Callie are childhood sweethearts with a taste for adventure, until the fateful day her father discovers them embracing in the carriage house and, in a furious frenzy, drives Trevelyan away in disgrace. Nine long, lonely years later, Trevelyan returns. Callie discovers that he can still make her blood race and fill her life with excitement, but he can't give her the one thing she wants more than anything-himself. For Trevelyan, Callie is a spark of light in a world of darkness and deceit. Before he can bear to say his last goodbyes, he's determined to sweep her into one last, fateful adventure, just for the two of them. Praise for Lessons in French: "Laura Kinsale creates magic. Her characters live, breathe, charm, and seduce, and her writing is as delicious and perfectly served as wine in a crystal glass."— Lisa Kleypas "I loved it! Lessons in French is a delicious new Kinsale that couples the charm of Midsummer Moon with the intensity of Seize the Fire or The Shadow and the Star. Intrigue, drama, secrets, passion, and a grand romance make this a wonderful addition to Laura Kinsale's already excellent repertoire."— Jennifer Ashley, USA Today bestselling author of The Madness of Lord Ian Mackenzie "A rich and rewarding romance from the legendary Laura Kinsale!"—Mary Jo Putney, New York Times bestselling author of Loving a Lost Lord "A truly gifted writer, Laura Kinsale is one of the romance genre's brightest stars."—Loretta Chase, New York Times bestselling author of Don't Tempt Me

#1 New York Times Bestseller An ancient relic is unearthed during an archaeological dig. A Minnesota college professor is keeping a secret that could change the world ' s history as we know it. For Virgil Flowers, the link between the two is inescapable—and his investigation, more dangerous and far-reaching than he can possibly imagine.

Riko Kunimi is trying to lead a normal high school life when Ran Tachibana bursts into her classroom carrying a gun and tells her that her life is now his. Ran, the richest, most powerful 17-year-old in Japan wants her as his wife, and he's not taking no for an answer! If Ran can't capture her by five o'clock the next day, he'll give up on her, but he has all that money can buy at his disposal. However, Riko has one trick up her sleeve--she has superpowers! -- VIZ Media

Swept up in political intrigue, an assassin and a princess embrace a passionate love in this fourteenth-century romance by a New York Times–bestselling author. As the last unmarried princess of Monteverde, Elayne is trapped in a marital bond when her hand is promised to the land's ruler. On the voyage to meet her future husband, she is captured by Allegreto Navona—the living embodiment of the dark angel she's seen in dreams. Endowed with godlike beauty, his eyes burn bright with sin. A woman of modesty would flee such a man. But try as she might, a wanton hunger binds her to his side . . . Trained as an assassin, Allegreto is the bastard son of an ambitious lord who raised him to murder for control of Monteverde. Now that his father is dead, if Allegreto can make Elayne his wife, it will cleanse his tainted blood, and the country will be his, but she is no mere maiden to be possessed. Unexpectedly, he falls in love with her, finding in her quick mind and azure eyes the conqueror of his heart. But will his dark past scare her off? With a legendary ability to create lovers you'll never forget, the author of *Flowers from the Storm* offers a lively historical romance.

A princess sparks devotion in a chivalrous knight in this medieval romance by a New York Times–bestselling author who “creates magic” (Lisa Kleypas). With Princess Melanthe di Monteverde widowed, a political marriage would tip the balance of power to any kingdom that possessed her. Determined to return to England alive and unwed, she hides behind a mask of witchery. Protecting her is Ruck d'Angleterre, a chivalrous knight who never wavers—and the only man Melanthe wishes could lift the veil of her disguise. He once desired her, but now his gaze reveals distrust. As they flee her enemies, Melanthe's impossible love for the Green Knight grows. Ruck has remained chaste for thirteen miserable years, since his wife entered a nunnery, continuing to honor their marital vows. In that dark hour, when the church stripped him of his spouse and his possessions, the princess secretly came to his aid with two emeralds. Her safety is his duty, yet his heart is not pure. Each time he gazes upon Melanthe's sable hair and twilight eyes, he wants more. Showcasing Laura Kinsale's gift for bringing unforgettable characters to life on the page, *For My Lady's Heart* is yet another winner from the author of *Flowers from the Storm*, chosen as one of the “Greatest Love Stories of All Time” in a poll of Washington Post and Glamour magazine readers.

A scoundrel is transformed by the love of an innocent princess in this historical romance by the New York Times–bestselling author of *Flowers from the Storm*. Summoned to rule the tiny nation of Oriens, Princess Olympia St. Leger appoints the most celebrated man in England to escort her: recently retired war hero Capt. Sheridan Drake. Easily frightened, she is vastly relieved to have Captain Drake's help—until she discovers he's a scoundrel without a drop of honor in his body. In fact, nothing would make her happier than to forget him. Except she cannot seem to get his deep, stirring gaze out of her head . . . Sheridan has no patience for hero worshipers; war is a game of survival, not gallant deeds. But Olympia, who comes to him with plump cheeks and eyes full of expectation, has money, something of which he is in great need. And though Olympia is impossibly naive, for reasons he can't fathom, she touches him in some obscure, half-forgotten place, until the thought of losing her becomes even more impossible. Set in Georgian England, *Seize the Fire* is another exciting tale from the author of *For My Lady's Heart*, whose work has been praised by Julia Quinn as “unfailingly brilliant and beautiful.”

An enchanting and captivating novel about how our untold stories haunt us — and the stories we tell ourselves in order to survive. After her family suffers a tragedy, nine-year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family's story. In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, *The Lost Flowers of Alice Hart* follows Alice's unforgettable journey, as she learns that the most powerful story she will ever possess is her own.

The second book in the critically acclaimed *Obsidian and Blood* trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons—and to the return of their creator, a malevolent goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. **REVIEWS:** ‘Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.’ —Publishers Weekly ‘Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can't fault this book at all and recommend it to one and all but if you haven't yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won't be disappointed.’ —SF Book Reviews ‘Bodard's writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds... beautiful, grimy, breathtaking, and morbid. 5*’ —Examiner ‘Aliette de Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.’ —Cybermage

Social media sensation Billy Chapata shares insight and advice into the powerful world of love, heartbreak, and what comes next. This collection of poetry and prose will justify heartache and inspire the fortitude to survive and prosper. From Chameleon Aura author Billy Chapata comes his second major poetry collection, *Flowers on the Moon*.
