The way students learn changes when they have access to digital tools. The Digital Classroom demonstrates that using technology to enhance students' learning is not dependent on a specific learning management system or software — it is about changing the pedagogy with the help of an arsenal of useful tools and methods. This practical book introduces easy to use methods to all teachers in digital classrooms with the intention to make it simple, accessible, and achievable for everyone. It is not only about the tools, and the how and why, but also about changing the pedagogy making the learning more relevant to the students. When you open the classroom to the rest of the world, the teacher becomes more important than ever. Topics in the book include: Technology and deeper learning Social media in the global classroom Building a personal learning network The flipped classroom and cooperative learning The use of iPads in primary and middle school Teaching with videogames Special education Digital citizenship Digital tools can play a key role in making learning happen and what the teachers know about the use of technology is key. The Digital Classroom will be of great interest to teachers and trainee teachers who wish to develop their digital competency by using the book as part of their professional learning.

Shakespeare's one of the greatest playwrights of all time-but telling a student this isn't enough. Each section of this book may also be purchased individually.

A riveting family saga, *The Story of Edgar Sawtelle* explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm — and into Edgar's mother's affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes — the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain — create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic.

Teaching guides and lesson plans designed to make classic literature engaging and relevant to today's students!
