Under his tutelage, she learns that with a suggestive smile or a heart-wrenching tale, she can lower men's guards just long enough to steal their secrets. But when she is sent to seduce a handsome, golden-maned Highlander bearing a message from the Bruce, soon she cannot tell who is playing whom, or if it is a game at all. Colin's searing touch crumbles the walls around her heart, forcing Sabine to realize that her loyalty to her boss may come with a price-her life. When unseen forces threaten to tear their world apart, Sabine and Colin must choose between duty, loyalty, and love to save themselves-and each other.
