#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *The Book of Two Ways* comes “a powerfully evocative story of resilience and the triumph of the human spirit” (Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* and *Daisy Jones & The Six*) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by *She Reads* Diana O’Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s

dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they'd booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father's suspicion of outsiders. In the Galápagos Islands, where Darwin's theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

Perfect for fans of Adam Silvera and Becky Albertalli, Mason Deaver's stunning debut will rip your heart out before showing you how to heal from tragedy and celebrate life in the process.

An upcoming book to be published by Penguin Random House.

"You know when you're looking at someone and you can't help but smile at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks."--

In an idyllic small-town neighborhood, a near tragedy triggers a series of dark revelations. From the outside, Sycamore Glen, North Carolina, might look like the perfect all-American neighborhood. But behind the white picket fences lies a web of secrets that reach from house to house. Up and down the streets, neighbors quietly bear the weight of their own pasts until an accident at the

community pool upsets the delicate equilibrium. And when tragic circumstances compel a woman to return to Sycamore Glen after years of self-imposed banishment, the tangle of the neighbors intertwined lives begins to unravel. During the course of a sweltering summer, long-buried secrets are revealed, and the neighbors learn that it s impossible to really know those closest to us. But is it impossible to love and forgive them?"

USA TODAY BESTSELLER • In this charming Oxford Novel, hailed by Keri Ford as “a sizzling-loud friends-to-lovers story,” Lauren Layne poses a provocative question: What do you do when you fall in love with your sister’s ex? A year ago, Jackson Burke was married to the love of his life and playing quarterback for the Texas Redhawks. Now he’s retired, courtesy of the car accident that ruined his career—and single, after a nasty scandal torpedoed his marriage. Just as he’s starting to get used to his new life as a health and fitness columnist for Oxford magazine, his unpredictable ex shows up on his doorstep in Manhattan. Jackson should be thrilled. But he can’t stop thinking about the one person who’s always been there for him, the one girl he could never have: her younger sister. Mollie Carrington can’t say no to Madison. After all, her older sister practically raised her. So when Madison begs for help in winning her ex-husband back, Mollie’s just glad she got over her own crush on Jackson ages ago—or so she thought. Because as Mollie reconnects with Jackson, she quickly forgets all her reasons to stay loyal to her sister. Tempted by Jackson’s mellow drawl and cowboy good looks, Mollie is sick and tired of coming in second place. But she can’t win if she doesn’t play the game.
