Lottie Moon: A Generous Offering (Heroes for Young Readers ...

As a missionary to some of the poorest cities in China, once-wealthy Lottie Moon (1840-1912) experienced what it felt like to have nothing to eat. In dire circumstances, Lottie's first priority was helping others learn about God's love. She courageously fought fires, invented clever disguises, and fended off angry mobs to protect others.

Lottie Moon: A Generous Offering (Heroes for Young Readers ...

Each year at Christmas time, churches take up the Lottie Moon Christmas Offering that helps support over 3,000 missionaries outside of North America. To date, the offering has raised over \$1.5 billion. In conjunction with this yearly event, Cordova First Baptist Church in Cordova will host its Lottie Moon Auction on December 6.

Born into a privileged southern American family, Lottie Moon became a missionary to the poorest cities in China, risking her life for others.

After becoming the most educated woman in the American South, Lottie Moon (1840-1912) spent thirty-nine years in China. As she watched her fellow missionaries fall to disease and exhaustion, she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life. Today, an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel.

The first part of this study, published in 1984, recounts congregational growth from a brush arbor meeting to a thriving church adjacent to a bustling college campus. Carolyn Gaddy reconstructs the congregation's evolution as it confronted missionary and education controversies, the Civil War, industrialization and depression, and modern times. Jerry Surratt deals with the 25 years preceding the church's bicentennial in 2010. It is a deeper probing into challenges of ministry, growth, building renovations, denominational change, and gender issues. The congregation expands its ministry to local needs, regional disaster relief, and the plight of abandoned street children in Ukraine.

Margaret Hatcher was a wounded, wordless child who cried when her classmates made fun of her and put on a brave face for a mother who struggled with acute depression. As life presented her with new experiences, she slowly let go of her fearfulness, becoming an acclaimed educator who won numerous national awards, a national speaker, writer, and visual artist. Underneath It All: A Collection of Memoirs shows snapshots of her evolution: Flying out of a giant tree. A Long John Silver's out-of-body experience. Rehab with an ex-Marine. Honorable closure. Throughout, Hatcher shares her deep love of the places that formed and informed her, from a small town in Texas to the top of the San Juan Mountains in Colorado and the high deserts of Arizona. Spanning more than seven decades, Underneath It All takes us on an expedition to discover the truth of one remarkable woman's life.

Why do I continue to do the things I don't want to do? Why do I not do the things I know I should be doing? Author Jeff Brewer knows every believer faces those questions. "The Only Way To Live" exposes the flawed way most Christians try to live their lives and reveals the way to the fullness of the life lived by Jesus. The purpose is not to teach believers anything, but to train disciples to live the life Jesus clearly taught us to live. This is not a philosophical book. The practical steps you need to take to become a full-time disciple of Jesus are clearly outlined. When you finish reading this book you will know what Jesus meant in John 15 when He commanded us to 'abide in the vine.' You will know what Paul meant in Romans 8 when he exhorted us to 'walk in the Spirit.' "The Only Way To Live" will challenge you to change the way you live your Christian life.

"What is simple church?" This is a simple question that doesn't have a simple answer. Simple Church: Unity Within Diversity is an attempt to shed light on the above question and provide some answers. The twenty-four contributors all hope this book will help people, both inside and outside the church, better understand what simple church life is all about. Far too often discussions about the church descend into arguments that accomplish little. We have no desire to take part in that. Rather, each person who has written a chapter for this book desires that it will lead to increased communication, understanding, and ultimately unity within the body of Christ. Twenty-four writers means twenty-four somewhat different perspectives. We certainly do not agree on everything. You will see that as you read through the book. What we do agree upon is that simple practices often lead to great opportunities for edification and service—both inside and outside the church. We want to share these ideas with other followers of Christ and explain what it is all about. If you would like to know more about simple church from a positive perspective, then this is the book for you!

Inspired by the best-selling Hugs series, this book contains 365 devotionals to fill everyday with promises of hope and renewal. With beautiful full-color pictures of soothing scenes to complement the encouraging words, these devotionals are the perfect way to start the day.

"When the author's father died, Marc Jolley decided that he needed to write something for his sons about what was important in his life. The result, while not a full autobiography, deals with three things in his life that have shaped it more than others; it is about what he loves: baseball, God, and family, but not necessarily in that order all of the time. This memoir, then, is about what the author "knows" and to that extent, each sentence is true in the best tradition of Hemingway. Safe at Home is both a phrase used in baseball and an expression that captures the importance of family." "This story is about how faith, family, and baseball have intersected in his life, an intersection that occurs at home. Critical moments of Jolley's life have seen God, baseball, and family impact at very important times in his life. Whether losing game after game in little league, watching the World Series with his father, or quitting the high school team, the presence of family and his faith shape how he overcomes disappointment or celebrates the sheer joy of playing. Collecting baseball cards in 1968 provides him with a lesson in race and his mother's faith that opens his eyes to a world he never knew."--BOOK JACKET.

Part storybook, part textbook, part historical overview, Parade of Faith in ebook format presents the history of Christianity in riveting fashion. Ruth Tucker adopts the metaphor of a parade, journey, or pilgrimage to explore the history of Christianity, which began as the Messiah marched out of the pages of the Old Testament and will end one day when "the saints go marching in" to the New Jerusalem. The book is divided into two chronological groupings: first, the advent of Christianity until the German and Swiss Reformations; second, the Anabaptist movement and Catholic Reformation until the present-day worldwide expansion of the church. Yet, ultimately the topic matter is not movements, dates, or a stream of facts, but instead people—people who still have stories to tell other Christians. And with a little help from clues to their own contexts, they can still speak clearly today. This book is laid out systematically to showcase the biographies of such prominent figures within their historical settings. The pages are peppered with sidebars, historical "what if" questions, explorations of relevant topics for today, personal reflections, illustrations, and lists for further reading. Parade of Faith is an excellent introduction for undergraduate students and interested lay readers.
