Scott Thompson, guitarist for multi-platinum-selling metal band Flesh Hook, has always been addicted to the adrenaline rush: drag racing, motocross, big game hunts in the African floodplains. He's broken bones, nearly died of exposure, and seared half his leg in a wreck. Nearing forty, he's finding it harder to feed the thrill. Enter The Company, an organization specializing in custom adventure rides!the kind where you sign a waiver absolving them of everything short of death before you get on. Company redneck Johnny Lee loves his job, and he's damned good at it. He's run rides for politicians, celebrities, CEOs and trust-fund kids and never broken character or had a complaint. He expects the Thompson ride to be more of the same!another rock star, this one so full of himself he's signed up for 48 hours, an unprecedented amount of time on the Deliverance set. Rock stars break easily, though, especially the full-of-themselfs kind. Everyone breaks more easily than they expect. Even Johnny Lee. (Roughing It is a novella featuring kidnapping and m/m and m/m/m consensual rough sex.)

The charge was murder -- and now Tom Holden had big trouble on his hands. First, he'd held off the town bully, big Crogan, and his men single-handedly. Then he announced he would marry Alexa Larrame, beautiful blue-eyed daughter of the wealthiest rancher around -- even though he'd never even met her! But now he had a lot more than just a rash promise to live up to. He was being accused of murder in a town where the strong make the laws -- and enforce them with bullets! ¶No pulp writer was more prolific than Frederick Faust, who wrote nearly 15 million words under the pen name of Max Brand and seventeen others. He sold all his stories and sometimes wrote complete issues of Western Story Magazine.¶ -- The Incredible Pulp
