The 1876 United States presidential election was the 23rd quadrennial presidential election, held on Tuesday, November 7, 1876, in which Republican nominee Rutherford B. Hayes faced Democrat Samuel J. Tilden. It was one of the most contentious presidential elections in American history, and gave rise to the Compromise of 1877 by which the Democrats conceded the election to Hayes in return for an end to Reconstruction and the withdrawal of federal troops from the South. After a controversial post

Rutherford B. Hayes wins 1876 presidential election by one ...

Rutherford B. Hayes may now be viewed as a minor president but this is not a minor biography. It is smoothly written, well-organized and clear. It shows not only the multi-faceted life of the 19th president but a time in American history when concern for enforcing the Civil War amendments (13-15) was giving way to crasser concerns that lasted for (at least) a century.

A leader of the Reconstruction era, whose contested election eerily parallels the election debacle of 2000
The disputed election of 1876 between Rutherford B. Hayes and Samuel Tilden, in which Congress set up a special electoral commission, handing the disputed electoral votes to Hayes, brings recent events into sharp focus. Historian Hans L. Trefousse explores Hayes's new relevance and reconsiders what many have seen as the pitfalls of his presidency. While Hayes did officially terminate the Reconstruction, Trefousse points out that this process was already well under way by the start of his term and there was little he could do to stop it. A great intellectual and one of our best-educated presidents, Hayes did much more in the way of healing the nation and elevating the presidency.

Beyond our world lies a land where darkness reigns—the land of the virile, sensual Shadowdwellers. Yet their mysterious abilities are no match for the power of desire . . .DOUBLE YOUR PLEASURE . . .As Chancellor of the Shadowdwellers, Malaya's first duty is to her people. Her bodyguard, Guin, knows this only too well. For tradition's sake, Malaya must marry, and the thought of this lush, vibrant, woman in a loveless union is impossible for him to bear. Guin loves Malaya—not as a subject loves his queen but as a man craves a woman. And even if he cannot keep her, he'll show her everything she stands to lose . . .Discipline. Penance. Order. A Sanctuary priest's life revolves around such things. But when Sagan is taken captive and thrust into the Alaskan wilderness, he encounters a woman who challenges his faith and his self-control. Valera is a natural born witch who almost lost herself to the lure of dark magic. By rights, Sagan should shun her, but convention will count for nothing in the face of a passion that could change the world of the Shadowdwellers forever . . .

In this major work of popular history and scholarship, acclaimed historian and biographer Roy Morris, Jr., tells the extraordinary story of how, in America's centennial year, the presidency was stolen, the Civil War was almost reignited, and black Americans were consigned to nearly ninety years of legalized segregation in the South. The bitter 1876 contest between Ohio Republican governor Rutherford B. Hayes and New York Democratic governor Samuel J. Tilden is the most sensational, ethically sordid, and legally questionable presidential election in American history. The first since Lincoln's in 1860 in which the Democrats had a real chance of recapturing the White House, the election was in some ways the last battle of the Civil War, as the two parties fought to preserve or overturn what had been decided by armies just eleven years earlier. Riding a wave of popular revulsion at the numerous scandals of the Grant administration and a sluggish economy, Tilden received some 260,000 more votes than his opponent. But contested returns in Florida, Louisiana, and South Carolina ultimately led to Hayes's being declared the winner by a specially created, Republican-dominated Electoral Commission after four tense months of political intrigue and threats of violence. President Grant took the threats seriously: he ordered armed federal troops into the streets of Washington to keep the peace. Morris brings to life all the colorful personalities and high drama of this most remarkable -- and largely forgotten -- election. He presents vivid portraits of the bachelor lawyer Tilden, a wealthy New York sophisticate whose passion for clean government propelled him to the very brink of the presidency, and of Hayes, a family man whose midwestern simplicity masked a cunning political mind. We travel to Philadelphia, where the Centennial Exhibition celebrated America's industrial might and democratic ideals, and to the nation's heartland, where Republicans waged a cynical but effective "bloody shirt" campaign to tar the Demo-crats, once again, as the party of disunion and rebellion. Morris dramatically recreates the suspenseful events of election night, when both candidates went to bed believing Tilden had won, and a one-legged former Union army general, "Devil Dan" Sickles, stumbled into Republican headquarters and hastily improvised a devious plan to subvert the election in the three disputed southern states. We watch Hayes outmaneuver the curiously passive Tilden and his supporters in the days following the election, and witness the late-night backroom maneuvering of party leaders in the nation's capital, where democracy itself was ultimately subverted and the will of the people thwarted. Fraud of the Century presents compelling evidence that fraud by Republican vote-counters in the three southern states, and especially in Louisiana, robbed Tilden of the presidency. It is at once a masterful example of political reporting and an absorbing read.

Follows the life of Rutherford B. Hayes, including his childhood, education, employment, political career, and term of presidency.

A thorough, illustrated biography discussing the childhood, career, family, and term of Rutherford B. Hayes, nineteenth president of the United States. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

As the nineteenth president of the United States, Rutherford B. Hayes brought an end to Reconstruction and returned order to the White House. But it was his service as a volunteer officer in the Union army during the Civil War that provided the most glorious years of his life and made his post-war political accomplishments possible. Although he spent much of the war on the periphery, away from the major centers of activity, Hayes performed conspicuously whenever called upon. He participated in the repulse of dreaded Confederate raider John Hunt Morgan's Ohio Raid and, although only a colonel, commanded a division in General Philip Sheridan's devastating Shenandoah Valley Campaign of 1864. No professional soldier, Hayes was nonetheless a natural warrior. Another future president, William McKinley, wrote of his fellow Ohioan, His whole nature seemed to change when in battle. Normally kind and agreeable, Hayes grew intense and ferocious during a fight. In all, he was wounded five times and had four horses shot from under him. And while he ended the war as a brevet major general, Hayes noted that he never fought a battle as a general. He was, by his own reckoning, simply one of the good colonels in the great army.
