Vengeance is the stunning sequel to Tomi Adeyemi's New York Times–bestselling debut *Children of Blood and Bone*, the first book in the Legacy of Orisha trilogy. how to become a writer. It's seventy-nine miles and a zillion light years away from everything she can't wait to leave behind. Sam's stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.
