This study shows how the Satan of the New Testament became the modern day personification of evil.

Everyone wants to be financially successful, but great financial success often brings negative side effects in other areas. In this exciting book, Yehuda Berg shows why the true purpose of our lives is complete happiness and total fulfillment. Drawing on the lessons of years of study and teaching, True Prosperity shows how the teachings of Kabbalah, the world's oldest body of spiritual wisdom, can be used every day and every moment not only to achieve

success in one aspect of life, but to avoid the setbacks in other areas that can render any accomplishment empty and meaningless.

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara ' s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she ' d traveled too far, if there was still a way home.

“ Beautiful and propulsive . . . Despite the singularity of [Westover ' s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up? ” —Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

The world is full of sex manuals instructing the reader on the ins and outs of great sex, but these tend to focus on only one aspect; the physical mechanics. According to Kabbalah, the key to fulfilling sex lies in self-awareness, not simply technique. The Kabbalah Book of Sex is a ground-breaking guide by acclaimed author and teacher Yehuda Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit.

Through the ancient wisdom revealed here, the floodgates of

passion and desire will open wide. Your sex will become the truly sacred connection it was always meant to be.

From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility -- in every facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion -- has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

Describes how the secret wisdom tradition known as the cabala can provide guidelines for reaching the universe of light that practitioners believe exists beyond the everyday world.
