This book presents the art of Saadya Sternberg, who developed his own independent artistic approach to paper-folding, using paper as one would use clay to sculpt human faces, animals and intriguing geometric shapes. In the book, Saadya discusses his masks, animals, and his explorations of curve-folding. The mask technique is taught in detail,

This impressive origami ebook contains everything you need to create beautiful, geometric origami sculptures. Art and math intertwine in exciting and complex new ways in Geometric Origami Kit. World renowned origami artists Michael G. LaFosse and Richard L. Alexander bring you this paper craft ebook where folding a piece of paper creates a new and wondrous origami object. In Geometric Origami, the initial folds are easily created, but once the basic building blocks are ready, the intricate combining of
