I borrowed a Dutch kids cookbook from a friend, and it said that from a very young age, you can give your kids a crust of bread to chew on, now you can give them potatoes. It felt very Dutch. Kids here also chew on giant Grissini crackers, those pencil-sized breadsticks. We started giving them to Oscar and he just freaking loves them.

Spending time in the kitchen might be a chore for busy mums and dads, but kids see the kitchen as a fun and exciting place to explore their creative sides.

From saving for a new bike to investing their allowance online, kids get the "cents" they need with this. Kids will also learn: How coins and bills are made. What money can buy—from school supplies to fun and games. How credit cards work. Ways to watch money grow—from savings to stocks. Cool financial technology. And more! Saving money isn't about a piggy bank anymore. Today's kids are investing money, starting their own small businesses, and watching their savings earn interest. This book will teach kids all they need to know about the "green" they earn so they can save or spend it wisely. This edition includes completely new material on online banking, opening a bank account, and saving allowance.

Helpful introduction includes a basic list of necessary ingredients and equipment, cooking hints, and sample menus. Total of 60 recipes: pizza, hamburgers, salads, cookies, cakes, macaroni and cheese, and much more.

Who says learning can't be fun? Using the word "educational" can be the quickest way to lose a child's interest. But the games, projects, and experiments in The Everything Kids' Learning Activities Book are so much fun, your kids won't even know they're learning! Not only will your kids be entertained and have fun, they'll learn skills in the key areas of reading, writing, math, science, and social studies. With 145 indoor and outdoor activities including: Comic strip sequencing Round robin storytelling Lollipop patterns The 25-cent pyramid Cookie fractions Balloon terrarium These activities are geared for kids aged 5–12, making this a go-to resource for years to come. And most activities use materials that are in your house! This easy-to-use guide is full of creative ideas and expert advice to help you be your kids' best learning partner.

Science has never been so easy—or so much fun! With The Everything Kids' Science Experiments Book, all you need to do is gather a few household items and you can recreate dozens of mind-blowing, kid-tested science experiments. High school science teacher Tom Robinson shows you how to expand your scientific horizons—from biology to chemistry to physics to outer space. You'll discover answers to questions like: Is it possible to blow up a balloon without actually blowing into it? What is inside coins? Can a magnet ever be "turned off"? Do toilets always flush in the same direction? Can a swimming pool be cleaned with just the breath of one person? You won't want to wait for a rainy day or your school's science fair to test these cool experiments for yourself!

You Can Help Our Earth Live Longer! Everything we do has an impact on the world around us—from the clothes we wear and food we eat to the gardens we grow and the trash we throw away. And to take the best care of the earth—and ourselves—it's important to make smart choices. With The Everything Kids' Environment Book, you'll find out what you can do every day to help protect our planet. You'll also learn why the rainforest is so important to us, how animals go extinct, and what environmentalists can tell us about taking good care of our world. Learn how to "go green" and to: Find new uses for recycled grocery bags. Create your own greenhouse. Make acid rain—safely!—to see how it affect plants. Test organic food against foods grown with chemicals. Make your own compost pile. Re-create deforestation with the soil from timbered trees. Test your sensitivity to noise. Whether you are in the classroom, surfing the Internet, or just hanging out with your friends, you can make a difference. Start today—so our Earth can live another 4.5 billion years!

All parents want their children to eat well—but for children with diabetes, eating well is not just a preference. It's a requisite. When to eat, what to eat, and how much to eat are critical considerations—all day, every day. But with a little knowledge and planning, you can whip up meals that are as good for your child as they are good to eat, including: Ultimate Grilled Cheeseburger Sandwich Multigrain Pancakes and Vanilla Smoothies Baked Potato Chips and Creamy Spicy Dip Taco Salad Grilled Ranch Chicken Lobster Salad Chocolate Cheesecake Mousse With this cookbook, you can meet the dietary challenges of diabetes with delicious—and doable—meals. From bag lunches and after-school snacks to birthday treats and holiday feasts, children with diabetes can enjoy mealtime as much as kids everywhere—every day of the year!
