The Outrun is an extraordinary narrative, a warts and all cathartic autobiographical account of recovery from alcoholism twinned with the most beautiful writing about Orkney's natural world.

### **The Outrun by Amy Liptrot review - the badlands of ...**

I loved The Outrun. It has an essential honesty not only to the content but to the lucid, beautiful writing. The contrast between a Haggerston Hipster life of frenzied partying, alcoholism and job skimming, with the peace and healing qualities of wildlife watching, year round sea bathing and the natural beauty of island life is for me a winner.

### **Amazon.co.uk:Customer reviews: The Outrun**

The Outrun is a quick read, much faster than I wanted it to go. It's a compelling mixture of painful memoir and (sometimes related) observations of nature and community. Of the latter, Liptrot's description of Orkney storms stuck with me particularly.

The Outrun is the largest field of the farm, 'a stretch of coastland at the top of the farm where the grass is always short, pummelled by wind and sea spray year round.' There, as a teenager, listening to music on her headphones, she would look out at the horizon in frustration, feeling trapped.

The Sunday Times runaway bestseller - an exhilarating nature memoir about recovering from alcoholism in Orkney

"On the eve of the San Fransisco Earthquake of 1906, Mercy Wong--daughter of Chinese immigrants--is struggling to hold her own among the spoiled heiresses at prestigious St. Clare's School. When tragedy strikes, everyone must band together to survive"--

The Huntresses of Artemis must obey two rules: never disobey the goddess, and never fall in love. But when Kahina encounters the legendary warrior Atalanta on a routine mission, a dangerous line is crossed and both girls learn that their actions have consequences and rules were made to be broken.

'I loved this book' Raynor Winn, author of The Salt Path 'Utterly absorbing' Lucy Jones, author of Losing Eden Wishing to leave behind the quiet isolation of her Orkney island life, Amy Liptrot books a one-way flight to Berlin. Searching for new experiences, inspiration and love, she rents a loftbed in a shared flat and looks for work. She explores the streets, nightclubs and parks and seeks out the city's wildlife - goshawks, raccoons and hooded crows. She looks for love through the screen of her laptop. Over the course of a year Amy makes space hoping for the unexpected. And it comes with an erotic jolt, in the form of a love affair that obsesses her. The Instant is an unapologetic look at the addictive power of love and lust. It is also an exploration of the cycles of the moon, the flight paths of migratory birds, the mesmerising power of Neolithic stonework and the trails followed by a generation who exist online.

A USA TODAY BESTSELLER A Publishers Weekly Best Book of the Year In this latest novel from Stephen Graham Jones

comes a “heartbreakingly beautiful story” (Library Journal, starred review) of revenge, cultural identity, and the cost of breaking from tradition. Seamlessly blending classic horror and a dramatic narrative with sharp social commentary, *The Only Good Indians* is “a masterpiece. Intimate, devastating, brutal, terrifying, warm, and heartbreaking in the best way” (Paul Tremblay, author of *A Head Full of Ghosts*). This novel follows four American Indian men after a disturbing event from their youth puts them in a desperate struggle for their lives. Tracked by an entity bent on revenge, these childhood friends are helpless as the culture and traditions they left behind catch up to them in violent, vengeful ways. Labeled “one of 2020’s buzziest horror novels” (Entertainment Weekly), this is a remarkable horror story “will give you nightmares—the good kind of course” (BuzzFeed).

Part memoir of life in Taiwan, part love story—a beautifully told account of China’s brilliant cuisines...with recipes. *At the Chinese Table* describes in vivid detail how, during the 1970s and '80s, celebrated cookbook writer and illustrator Carolyn Phillips crosses China’s endless cultural and linguistic chasms and falls in love. During her second year in Taipei, she meets scholar and epicurean J. H. Huang, who nourishes her intellectually over luscious meals from every part of China. And then, before she knows it, Carolyn finds herself the unwelcome candidate for eldest daughter-in-law in a traditional Chinese family. This warm, refreshingly candid memoir is a coming-of-age story set against a background of the Chinese diaspora and a family whose ancestry is intricately intertwined with that of their native land. Carolyn’s reticent father-in-law—a World War II fighter pilot and hero—eventually embraces her presence by showing her how to re-create centuries-old Hakka dishes from family recipes. In the meantime, she brushes up on the classic cuisines of the North in an attempt to win over J. H.’s imperious mother, whose father had been a warlord’s lieutenant. Fortunately for J. H. and Carolyn, the tense early days of their relationship blossom into another kind of cultural and historical education as Carolyn masters both the language and many of China’s extraordinary cuisines. With illustrations and twenty-two recipes, *At the Chinese Table* is a culinary adventure like no other that captures the diversity of China’s cuisines, from the pen of a world-class scholar and gourmet.
