What if the monsters from your favorite horror books were real? Eddie Fennicks has always been a loner, content to lose himself in a mystery novel by his favorite author, Nathaniel Olmstead. That ' s why moving to the small town of Gatesweed becomes a dream come true when Eddie discovers that Olmstead lived there before mysteriously disappearing thirteen years ago. Even better, Eddie finds a handwritten, never-before-seen Nathaniel Olmstead book printed in code and befriends Harris, who ' s as much an Olmsteady as he is. But then the frightening creatures of Olmstead ' s books begin to show up in real life, and Eddie ' s dream turns into a nightmare. Eddie, Harris, and their new friend, Maggie, must break Olmstead ' s code, banish all gremlins and monster lake-dogs from the town of Gatesweed, and solve the mystery of the missing author, all before Eddie ' s mom finishes writing her own tale of terror and brings to life the scariest creature of all.

When friends Eddie, Harris, and Maggie discover that the scary adventures in their favorite author's fictional books come true, they must find a way to close the portal that allows evil creatures and witches to enter their hometown of Gatesweed.

Seventh-grader Timothy July and his new friend Abigail try to break a curse that is causing them and others to be tormented by their greatest fears brought to life.

Does an abandoned asylum hold the key to a frightful haunting? Everyone's heard the stories about Graylock Hall. It was meant to be a place of healing - a hospital where children and teenagers with mental disorders would be cared for and perhaps even cured. But something went wrong. Several young patients died under mysterious circumstances. Eventually, the hospital was shut down, the building abandoned and left to rot deep in the woods. As the new kid in town, Neil Cady wants to see Graylock for himself. Especially since rumor has it that the building is haunted. He's got fresh batteries in his flashlight, a camera to document the adventure, and a new best friend watching his back. Neil might think he's prepared for what he'll find in the dark and decrepit asylum. But he's certainly not prepared for what follows him home. . . . Scary, suspenseful, and surprising, Dan Poblocki's latest ghost story will keep you turning pages deep into the dead of night.

Shadow House will find you . . . Poppy, Marcus, Dash, Dylan, and Azumi are all trapped within Shadow House, a sinister estate where past and present intertwine. As they fight to find a way out, the kids think the ghosts of the house are the greatest danger they face. Little do the kids know it's the secrets they're each hiding that will prove even more lethal. They're going to have to come face to face with their fears if they stand any hope of escaping the house alive. Is there anyone or anything in the house they can trust? Or is all hope disappearing, too . . . Enter Shadow House . . . if you dare. BONUS: Step inside Shadow House with the free app for your tablet or phone! Each image in the book reveals a haunting in the app, where the choices you make determine your fate.

Dan Poblocki is back with a new spooky ghost story perfect for fans of Mary Downing Hahn and John Bellairs. There is an island, far off the coast of Maine, where the ghosts of the past are restless. Josie Sandoval and Eli Barker are strangers when they board the ferry to Stone's Throw, traveling to the isolated island for a wedding. Then an immense storm blows in, and the wedding party is left stranded with no way to contact the mainland... and no idea that they have been targeted for revenge by the undead. The only clues to the danger they're in are a scrap of an old Nazi uniform -- and an unfamiliar voice, crying out for help in German... Josie and Eli soon realize there's much more to worry about than guest lists and flowers. It's up to them to uncover the chilling history of Stone's Throw Island and put its ghosts to rest -- or this dream wedding will become an absolute nightmare.

You don't just read this ghost story. You step into it. Some houses are more than just haunted... they're hungry. Dash, Dylan, Poppy, Marcus, and Azumi don't know this at first. They each think they've been summoned to Shadow House for innocent reasons. But there's nothing innocent about Shadow House. Something within its walls is wickedly wrong. Nothing -- and nobody -- can be trusted. Hallways move. Doors vanish. Ghosts appear. Children disappear. And the way out? That's disappeared, too... Enter Shadow House... if you dare. Don't just read about Shadow House -- explore its haunted depths with the free app!
