Sing the song and lift the flaps! Sing along to a classic favorite with Peek and Play Rhymes: The Wheels on the Bus! Hop on the bus as the wipers swish, the wheels go 'round, and the horn goes beep, and lift the flaps for even more interactivity. With bright, colorful illustrations and things to spot, children will love this new twist to the classic song.

Children's Fiction.

Presents an illustrated version of the classic children's song.

Discover the popular Wheels on the Bus rhyme in this fun-filled book. Fold out the play track, wind up the toys, and watch the busy buses whizz around the beautifully illustrated town.

The Wheels on the Bus combines lively pictures with a classic rhyme that's easy for parents and carers to recognise and recite. Young children will adore searching the page for flaps to open while singing along as the big bright bus trundles along. The spotting game at the end is a great incentive to go through the pages once again until each tiny thing is found! Nursery Rhymes are important stepping stones to language development. The rhymes usually tell a story, too, with a beginning, a middle and an end. This teaches children that events happen in sequence, and they begin to follow along. Nursery rhymes are also full of repetition making them easy to remember, and often become some of a child's first sentences.

As the old bus collects an odd assortment of passengers, the reader may join in with the sounds of the bus and motions of the driver and passengers.

Here's a Sing 'N Move Book You and Your Child Will Love! Six Baby Genius characters join together in this lively, interactive book to show kids how to move when they sing this popular children's song. All six Baby Genius characters show children how to move to the popular song The Wheels on the Bus Go 'Round and 'Round. When they sing "the wipers on the bus go swish-swish-swish," children can move their hands from side to side like windshield wipers! Each character cleverly illustrates how to move hands and arms to simulate the actions throughout the book. What makes this book so much fun is that the children will be singing, learning, and moving with their favorite Baby Genius characters!

An exciting sing-along board book features a fun-filled rhythmic text and charming full-color illustrations for toddlers.
