Speaking on Sophy Ridge on Sunday, he said: "We are going to review it on Dec 2 but we are driven by the data. "On the basis of what we have been told it should drive the R rate below one.

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

Min Green and Ed Slaterton have broken up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. A movie ticket from their first date, a comb from the motel room they shared and every other memento collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped. Why We Broke Up is a sincere and moving portrait of first love, first heartbreak and all the firsts in between. Min ' s smart, sharp, devastatingly honest voice is one of the most memorable in contemporary young adult literature.

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

"When it comes to dating, I seem to be going around in a circle. The ones I want don't want me, and the ones who want me, I don't want." -Amelia " I don ' t know, I just think there ' s too much miscommunication between guys and girls. I mean, no one knows what the fuck is going on. We need to have the discussion. We need to vent it and get it out in the open, " I said, grabbing my drink from the bedside table. _____ sat on the edge of the bed and put his shirt back on. " What do you want to know? " " I just want to know what guys are thinking. I mean we have sex and stuff and nothing lasting ever comes of it. " I said, taking a cigarette out and lighting it. I knew I shouldn ' t be smoking in the room, but I was too drunk to care. " I don ' t think I should say. We don ' t know everything girls are thinking. I think some things are better left unsaid. " " I want to know. I ' d prefer shit to be clearer, because I ' m always confused. " I replied. I could tell he was still a bit sexually frustrated, but he seemed okay to chat. " Go ahead then, ask what you want. I ' ll try give it to you as straight as I can. But don ' t hate the messenger, " _____ responded, taking the champagne from my hand and having some. " I won ' t, promise. So why do guys act so interested and then not get in touch at all? ? " I asked. Excerpt taken from The Modern Break-Up.

Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

A razor-sharp tale of two couples, two marriages, a bar, and a San Francisco start-up from a best-selling, award-winning novelist. This is a story about two marriages. Or is it? It begins with a wedding, held in the small San Francisco forest of Bottle Grove--bestowed by a wealthy patron for the public good, back when people did such things. Here is a cross section of lives, a stretch of urban green where ritzy guests, lustful teenagers, drunken revelers, and forest creatures all wait for the sun to go down. The girl in the corner slugging vodka from a cough-syrup bottle is Padgett--she's keeping something secreted in the woods. The couple at the altar are the Nickels--the bride is emphatic about changing her name, as there is plenty about her old life she is ready to forget. Set in San Francisco as the tech-boom is exploding, Bottle Grove is a sexy, skewering dark comedy about two unions--one forged of love and the other of greed--and about the forces that can drive couples together, into dependence, and then into sinister, even supernatural realms. Add one ominous shape-shifter to the mix, and you get a delightful and strange spectacle: a story of scheming and yearning and foibles and love and what we end up doing for it--and everyone has a secret. Looming over it all is the income disparity between San Francisco's tech community and . . . everyone else.

Tolstoy wrote that happy families are alike and that each unhappy family is unhappy in a different way.In Watch Your Mouth, Daniel Handler takes "different" to a whole new level....

The wrong man never felt so right. When helicopter medic Daniel Bliant answers an emergency call at Phil ' s Bar, he can ' t believe who the bartender is: the beautiful woman he saw in his ER months before and hasn ' t been able to stop thinking about. He should forget her. After all, he knows he ' s damaged goods. But Annika is intelligent, fun and totally stunning—the breath of life he desperately needs after the incident that left him shattered. Annika Mehta is doing just fine. She loves her job as a kindergarten teacher, even if the pay is low and she has a side gig working at Phil ' s. At least the bar owners are more like family. Sure, she ' s reeling from a bad breakup and the terrible event that caused it, but she ' s fine. Really. What she doesn ' t need is Daniel. He ' s wrong for her in every single way—so why is their chemistry off the charts?

Hello. I am Daniel Handler, the author of this book. Did you know that authors often write the summaries that appear on their book's dust jacket? You might want to think about that the next time you read something like, "A dazzling page-turner, this novel shows an internationally acclaimed storyteller at the height of his astonishing powers." Adverbs is a novel about love -- a bunch of different people, in and out of different kinds of love. At the start of the novel, Andrea is in love with David -- or maybe it's Joe -- who instead falls in love with Peter in a taxi. At the end of the novel, it's Joe who's in the taxi, falling in love with Andrea, although it might not be Andrea, or in any case it might not be the same Andrea, as Andrea is a very common name. So is Allison, who is married to Adrian in the middle of the novel, although in the middle of the ocean she considers a fling with Keith and also with Steve, whom she meets in an automobile, unless it's not the same Allison who meets the Snow Queen in a casino, or the same Steve who meets Eddie in the middle of the forest. . . . It might sound confusing, but that's love, and as the author -- me -- says, "It is not the nouns. The miracle is the adverbs, the way things are done." This novel is about people trying to find love in the ways it is done before the volcano erupts and the miracle ends. Yes, there's a volcano in the novel. In my opinion a volcano automatically makes a story more interesting.

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel The Dante Club, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone ' s daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders ' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone ' s kidnapping vividly illuminates the early days of America ' s westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America ' s transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.
