Four Dragon Guards: Three Curses. Two Heirs. One Choice...Forbidden love or the throne of the dragons? Isola Dragice thought she knew what her future would bring. On her eighteenth birthday, she'd inherit the dragon throne, but one earth-shattering moment destroys everything. As war looms heavy over Draga, Isola is catapulted out of her pretend human life and thrust into a world, she knows little of. One life-threatening accident, when she loses control of her dragon, ends up with the whole of Draga academy hating her. When the four most powerful dragons in history are ordered to protect her, they find themselves with an awkward problem. Her family cursed them centuries ago, relegating them to slaves of the throne and they hate all royals. Especially an ice dragon princess with no control over her powers that can kill fire dragons. Which the whole school is full of. What happens when fire falls for Ice? 18+ **Reverse harem**

Three secrets. Two fights. And one broken curse. Isola is finally back in Draga, but nothing is the same when she is hunted and betrayed by everyone she meets. With one of her dragon guards fighting for his life, time is running out. When the seers come to her aid, lies and blood are their price. With two battles on her hands, one for their freedom and one for her dragon guards, Isola has a lot to fight for...and a lot to lose.The dragon guard curse must be broken, for fire has finally fallen for ice...but is death the final price?18+ Reverse harem romance.

Death or the throne? Queen or survivor? Isola and her dragon guards are shaken after the events that forced them into hiding in Draga Academy. With the queen of the supernaturals on earth offering Isola, and what is left of her people, a permanent home...will Isola leave Draga to save the dragon she loves?Or will the last dragon Ice queen rise...and kill her enemy, even if means losing her heart? Death has always been a curse on Draga, and someone has to pay the price of fate...The final book in the internationally bestselling Protected by Dragons series.18+ RH.

Hi, I'm Alexis Delaney. I'm your average 17-year-old girl. Except I can see the dead. And talk to the dead. And push them away and, well, help them move on. So...okay, I'm not your average 17-year-old girl. For years I've been struggling to survive the souls still roaming around. The shiteads always seem to find me. Moving from town to town every few months never helped either. More dead just always find me. But things are changing for me now. I'm moving in with my uncle Rory and cousin Tara. I'm finally going to be able to do normal teenage stuff I've been missing out on. Right? Well, if this one bitch of a ghost could leave me alone on campus that would be great. Especially since I haven't told my new friends about my abilities. Can you believe this? Five good looking guys practically adopt me on my first day of school, and I still think they're a bit nuts for it. Now if I can only just keep my life with the dead from mixing with my normal life, everything would be great. Yeah...I don't see that happening either. But I'm going to give it a shot. Who knows? It might work.

Hopelessly in a funk with no apparent way out, mortgage industry veteran, Mark Stiles, grasped desperately to the only thing that could help: CHANGE. For the past few years, Mark has been stuck in a life of mediocrity - unfulfilled and simply getting by.... Slowly, but surely, both his personal and professional lives have derailed and are on a one-way track to disaster. Now, after a chance encounter with an old friend and colleague in the business, Mark is presented with a challenging opportunity that can radically change his life. A change that could not only allow him to achieve his dreams and provide an abundant life for his family, but a change that could inject long-forgotten purpose, meaning and fulfillment back into his career and very soul. Whether you're a mortgage veteran or a newbie to the residential mortgage scene, this book is possibly the answer to your problems! It not only provides solutions to the issues you've faced with loan files, but it outlines a proven, strategic framework for re-structuring your life to reach all the goals you've set for yourself and achieve unlimited success. The only question is: are you prepared to hit the Reset button and change?

Whoever said happy endings were easy was a fool or a liar. Cursed nearly a century ago by a demon he was hunting, Quinn Byrnes has waited impatiently to feel the sense of his mate in his head. After watching his brother settle down with a mate, a spark of hope ignites in Quinn when he finally feels the connection to his own woman. Following the instincts of his inner dragon, Quinn lands in London only to discover the woman destined to break his curse is working for his enemies. Lily Delaney would do anything to guarantee her sister's safety-including working as a bounty hunter for a powerful demon. When her latest hunt ends in failure, Lily finds herself face to face with a shifter who dumps equal amounts of desire and anger in her veins. Quinn is tall, tattooed, and his dazzling green eyes challenge her to take him as a mate even as he sets her life on fire. Quinn's presence unleashes unwanted demonic attention in the form of an ancient enemy that's now turned his sights on Lily. But with her target in the wind and her sister on the chopping block as punishment, time is running out for Lily to launch a daring rescue. As their foes circle, Quinn and Lily orbit around a truth neither wants to admit: happy endings come with a price.

People entering, nearing, or in retirement are all wondering how they are going to make their retirement nest eggs last as long as they do. Studies show that the main fear that people have in retirement is running out of money. Add to that the reality that the rules for retirement have changed, government regulations have both helped and hindered those who are retiring. For many in the Boomer generation, it will be a challenge to make the money last without having to adhere to an unpleasant budget. To survive and thrive in retirement in the coming years requires new thinking and a clear understanding of the options open to retirees. One of these options is the Home Equity Conversion Mortgage, or what most people know as "reverse mortgages." This advancement was signed into law by President Reagan in 1988 as a way to provide homeowners the opportunity to raise funds from their home equity while continuing to enjoy living in their homes. The concept of reverse mortgages has been misunderstood and misapplied by many since that time and finally a book has arrived that thoroughly explores this concept in a detailed, yet readable manner. In What's the Deal with Reverse Mortgages?, Shelley Giordano, an expert of reverse mortgages and member of the Longevity Task Force, a group of thought leaders in retirement portfolio theory, has written a book that discusses the significant improvements made by HUD/FHA to the Home Equity Conversion Mortgage (HECM.) Over the years, and most notably in 2015, HUD has improved consumer safeguards, and reduced acquisition costs for those wishing to use their housing wealth in a controlled and strategic pattern. Shelley has brought together thought leaders and experts to write a book that applies sound analysis to demonstrate that the prudent and conservative use of housing wealth, accessed via the modern HECM, can have a profound positive effect on our other assets and our ability to generate income for retirement. This book debunks the hoary old myths attached to reverse mortgages. It explains how the HECM has evolved to meet the needs of the Boomer generation. And most importantly, it explains how to evaluate your housing wealth in the early years of retirement, and why you should never wait and pray by deferring a reverse mortgage as a last resort. Reading this book will provide you with a full understanding of reverse mortgages to see beyond the current sales and advertising tactics related to the product allowing you to discuss the best options with your adviser, banker and family. It's the definitive book on reverse mortgages!

Dragon—Book One of the Dragon Eye seriesIsila has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home.Truth is, Isila doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home.But it may never be safe, and their enemies are closing in. Isla and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Isila is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live?The Dragon Eye series books:One: Dragon Two: HydraThree: PhoenixFour: VixenFive: DracuSix: Basilisk
